### **ABOUT**

#### MEET THE OWNER

Hello! My name is Kailee and i'm a digital illustrator based out of Los Angeles. As a self-taught artist I have explored many mediums, but my "sweet spots" are digital illustration, chalk art and graphic design. While my artistic vision is expansive, my speciality lies within the fine lines.

Throughout my life, I have found a deep connection to Astrology, plants, crystals, and everything magic - components you'll quickly notice in my designs. While my work has a minimalist base, you can find unique splashes of celestial and botanical flairs.

Since 2019, I've landed my work in 16 retail locations, monthly subscription boxes, and several online stores. I have established great relationships with each of my stockists—keeping them up to date with new releases, early holiday orders, discounted re-orders, and collaborations on special commissions. Along the way, I have come to be a part of their communities, participating in retail pop-up markets, specialty workshops, and art shows.

I truely love what I do and am so grateful that I have choosen to follow my passions.

Take a look around my line sheet, you can see it in my work!

Light and Love, Kailee
